

Worksheet A3

Do this with Lesson 5.

Put all completed work in your folder.

Complete A and *either* B or C.

A. Facade memory drawing

Take a look at the front facade of your house when you go home. If there were features, materials or textures which you did not remember, make the necessary alterations to your memory drawing.

B. Answer these questions about the outside of your home. Use the new vocabulary you have learned where appropriate.

1. How many windows are there? What type(s) are they?

.....
.....
.....
.....

2. From what materials are the window frames made? Describe their appearance.

.....
.....
.....

3. Are the windows double-glazed? Why/Why not?

.....
.....
.....

4. From what material(s) is (are) the door(s) made? What type(s) are they?

.....
.....
.....

5. Describe the roof — its type, colour, materials.

.....
.....
.....

MY HOME

6. List as many of the building materials as you can. Then describe their textures — rough, smooth, shiny. . .

.....

.....

.....

.....

7. Describe the colour theme of the building.

.....

.....

.....

8. List any decorative features.

.....

.....

.....

9. In your notebook, write a paragraph about the outside of your house. Say what you like most and dislike most about it.

- C. Design an imaginary facade for a house. Choose roof, door and window types from Information Sheet 6 “Doors and Windows” and Information Sheet 7 “Roofs”.

Scrapbook

Start a new section entitled **Exteriors**. Collect samples of different house types in Ireland and in other countries. Label your samples. Select your favourite house and explain why you picked it.

Vocabulary File

Add new words and definitions to your file.
